Special Ordinance No. _____.

MBE/WBE RIDER
FOR FEDERALLY-FUNDED PROJECTS THROUGH THE CITY OF FORT WAYNE

THIS AGREEMENT made and entered into by and between the CITY OF FORT WAYNE, hereinafter referred to as "Owner", and _____ KEY CONCRETE CO., INC. _____, hereinafter referred to as "Contractor",

WITNESSETH:

WHEREAS, Contractor is the apparent low bidder on construction project commonly referred to as the CREIGHTON-HOME IMPROVEMENTS which project was bid under Resolution Number 6352-94; and

WHEREAS, Contractor agrees that the goal for qualified Minority-owned Business Enterprises or Women-owned Business Enterprises, hereinafter sometimes referred to as "MBE/WBE's" as subcontractors on this project is 10% of the contract amount;

NOW, THEREFORE, in consideration of the foregoing and of the mutual agreements hereinafter contained, the sufficiency of which consideration is hereby acknowledged, the parties hereto agree as follows:

1. Conditional Award: Subject to approval by the Common Council of the City of Fort Wayne as stipulated in the construction contract to which this Rider is attached, Owner awards the construction contract to the Contractor.

2. MBE/WBE Retainage Requirements: If the contractor is in compliance with the provisions of the construction contract to which this Rider is attached, the Owner will make payments for such work performed and completed. However, in any such case, the Owner will retain ten percent (10%) of the total amount owing to insure satisfactory completion of the contract and to insure contractor's compliance with this MBE/WBE Rider. Upon final inspection and acceptance of the work, and determination by the Fort Wayne Board of Public Works that the contractor has made a good faith effort to subcontract 10% of the contract amount to Minority/Women business enterprises, the contractor will be paid in full.

In the event there is a determination that good faith compliance with this MBE/WBE Rider has not occurred, appropriate reduction in the final payment pursuant to paragraph 6 of this MBE/WBE Rider

MBE/WBE Rider

will be made.

If the contract is in excess of \$100,000, the contract will be subject to the standard Board of Public Works escrow agreement. However, payments to the CONTRACTOR are not to exceed 90% of the total contract amount until the OWNER has verified that the CONTRACTOR has made good faith efforts to attain the MBE/WBE goal stipulated in this MBE/WBE Rider. Payment of the final 10% of the total contract amount will be dependent upon good faith efforts to comply with this MBE/WBE Rider, and subject to reduction in the event of non-compliance as provided in paragraph 6 of this MBE/WBE Rider.

3. Request For Waiver: If at the time final payment application is made, contractor has not attained the 10% MBE/WBE goal, contractor shall file with the final payment application a "Request for Waiver". Said Request for Waiver shall contain a written description of the efforts taken by Contractor to attain the 10% MBE/WBE goal.

4. Determination of Waiver Requests: The Contract Compliance Department of the City of Fort Wayne shall examine all Requests for Waiver to determine if Contractor's efforts constitute good faith efforts to attain such goal and shall submit recommendations concerning said Requests for Waiver for the final determination of the Board of Public Works of the City of Fort Wayne.

5. Good Faith Per Se: In any case, a Contractor shall be deemed to have made good faith efforts at compliance where MBE/WBE's have been subcontracted for every sub-contract for which there are qualified MBE/WBE's available.

6. Consequence of Non-Compliance: In the event the Board of Public Works approves a recommendation that contractor failed to make good faith efforts at compliance, the contract shall be reduced by the amount calculated as the difference between 10% and the percentage level met. Said amount shall be added to the City of Fort Wayne MBE/WBE Guarantee Fund and contractor agrees to accept the reduced amount as full payment under the terms of his/her contract.

MBE/WBE Rider

7. Waiver Approved: In the event the Board of Public Works determines that a good faith effort to comply with this MBE/WBE Rider has been made, the contract shall not be reduced, and the balance owing to the contractor shall be paid in full.

IN WITNESS WHEREOF, the parties have executed this MBE/WBE Rider this 12 day of OCTOBER, 1994.
